NMC approves 4 new PG Programmes for PKDIMS

P K Das Institute of Medical Sciences, Vaniyankulam, has proudly announced the commencement of Medical P G Programmes, approved by National Medical Commission (NMC) under the Kerala University of Health Sciences(KUHS), from the academic year 2021-22 onwards. The newly approved PG programmes are MD General Medicine, MS General Surgery, MS Otorhinolaryngology(ENT), and MD Pharmacology. Shri.V.K.Sreekandan MP officially announced the starting of the new PG programmes in a function conducted at PK Das Hospital on 16th July 2021.

Another Crown to the NGI Kingdom

We have attained yet another milestone, in the history of NGI as the Group added up 5 more Paramedical Courses at Neheru Institute of Health Sciences, affiliated to Tamil Nadu Dr. M. G. R Medical University. The UG programmes are B. Sc. Cardiac Technology, B. Sc. Dialysis Technology, B. Sc. Operation Theatre & Anesthesia Technology, B.Sc. Physician Assistant and B. Sc. Radiography & Imaging Technology.

NGI Continues its Saga of Academic Success

Year after year our students continue the tradition of academic brilliance.

It is indeed a proud moment for NGI as our bright student have achieved high ranks in University Exams. Being meritorious requires long hours of tireless efforts from students, backed by their loving parents and teachers. Congratulations dear students.

'AKAM'-Short Film

'AKAM' - A short film written and directed by Mr. Ajith R. Nair, final year student of Nehru College of Nursing on "THE PSYCHOLOGICAL PROBLEMS & ISSUES CAUSED BY THE COVID 19 PATIENTS & PEOPLE IN QUARANTINE" won the Second prize in the contest organized by the District medical office of PALAKKAD "for the medical students. He was awarded certificate & a cash prize of Rs 3000/- for the same. The short film was released in YOUTUBE by GOOD WILL ENTERTAINMENTS on 26th JULY 2020 & it is running successful with 5K views.

Adv. Dr. P. Krishnadas, Chairman & Managing Trustee, signed an MOU on behalf of Jawaharlal College of Engineering and Technology, Lakkidi, Palakkad, with Central Institute of Petrochemical Engineering & Technology (CIPET) Palakkad (Sub Centre of CIPET IPT Kochi), Ministry of Chemicals & Fertilizers, Govt. of India. This MOU will help the students to provide entrepreneurship awareness in the field of plastic processing through joint conferences, seminars, industry relevant training programmes for UG/PG students, and internship programmes for B.Tech. ME students. It will facilitate students to get exposure in injection moulding and composite material development. They will also participate in exhibitions/fest with stalls.

Short Film-Covid-19

The short film COVID-19 by Vinith V, NSS volunteer of unit 209 of NCERC, significantly depicted the crucial situation we are facing due to corona virus. The film spread the light of awareness and safety measures that should be undertaken in the present situation to fight this epidemic. Some NSS volunteers along with other students and natives took a great effort to reach out the film during the lock down days being within the instructions and constraints put forward by the government. The cherupplassery police officers were very supportive and gave the guidelines to complete the film successfully.

An MOU has been signed by the Chairman & Managing Trustee, Nehru Group of Institutions with Abami Skilling, Palakkad for imparting internationally recognized skill development programs in Civil, Mechanical and Electrical Engineering as per the industry requirements to NGI students.

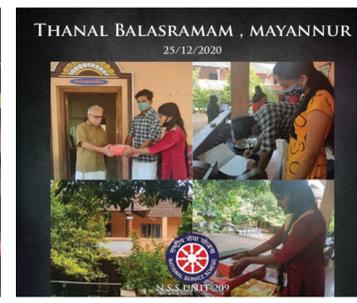

NSS and NCC continue their glorious deeds

NCC Group Commander, Brigadier A. Y. Rajan, Commanding Officer, Col. D. R. Ray and Administrative Officer, Col. V. S. Choudhary visited JCET campus on 16th September 2020.

Nehru College of Engineering and Research Centre

New medicinal garden was inaugurated by Adv. Dr. P. Krishnadas, Chairman and Managing Trustee, NGI by planting a medicinal plant followed by all the HODs and faculties of NCP on 25th November 2020.

The NSS and NCC units of NCERC and JCET undertook a chain of social and developmental activities during Covid-19 pandemic. They have initiated campaigns for the eradication of social evils and popularization of widely accepted objectives like nationalism, democracy, secularism, social harmony and development of scientific temper among students. National Cadet Corps (NCC) units of NCERC and JCET continued its noble task, as in previous years, of grooming the youth of our college into united, secular, disciplined and patriotic citizens, whose foremost concern is community development and social service activities as a part of national building. It has indeed succeeded in developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service among our cadets and our students. The sincere endeavors of our NCC and NSS units to create a pool of organized, trained and motivated youth with leadership qualities in all walks of life have undoubtedly come true in the campuses of NGI.

Fighting Covid-19 with innovative thinking

Samanwaya: During Covid-19 pandemic, some novel devices like sanitising tunnels and dispensing units were designed and developed by our college. The entire process was done internally by our students and staff with financial support from NGI Management. Mass production of these units were initiated and then were installed in various public places, including govt. offices, munsif courts, schools and panchayath for free of cost. Our college was on the

frontline in the war against Covid-19 and our team of students and staff came out with some novel ideas/ devices which were of high help to the general public. Automatic sanitizer dispensing unit, UV powered cleaning device, incinerator for used gloves/ masks, pedal controlled dispenser, and sanitizing tunnels were displayed during Samanwaya, gaining wide media coverage. These devices were supported by our TBI and patent application is under process.

Remembering the Bheeshmacharya of NGI, the Founder's Day was organised with spiritual ambiance. **H.H. Swamy Adhyatmananda** Saraswathi of Sambodh Foundation gave the word of blessings. Adv. Dr. P. Krishnadas, Dr. P. Krishnakumar and Dr. P. Thulasi recollected the memoirs of their proud father, the Founder and Inspiration of NGI, Late Sri. P. K. Das.

NSS Activities during Covid-19

NSS unit of our college remained active during the Covid-19 pandemic. It provided 'Online Education Facility' to a group of students from Pazhayannur school and gave TV and Dish connection to K. Athira, who is a student of Pazhayannur Higher Secondary School. The NSS volunteers of unit 209, NCERC initiated the activity of embroidering face covering cloth-made masks, during this lockdown period as a step towards creating safer and better world free of Covid pandemic.

As part of Kerala Government's 'Break The Chain' campaign to prevent the spread of Covid-19 (Coronavirus), Nehru College of Nursing students were at the Kerala border distributing pamphlets, offering tips on preventive measures and checking body temperatures with the help of infrared thermometers. The enterprising students also distributed masks as part of our Covid-19 prevention campaign.

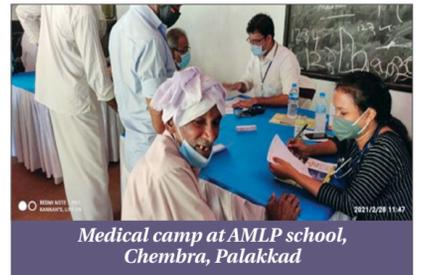

Department of Pharmacy Practice, Nehru college of Pharmacy initiated an awareness programme about various methods of sanitisation and the possible methods of preventing covid-19 virus.

Pharm.D Interns actively Participated in a medical camp at Govt. Higher Secondary School, Koonathara, Palakkad in association with PKDAS Institute of medical Sciences. Students took part in calculating BMI, Drug dispensing and to provide drug related counseling.

'UDHYAMA 2021'

Jawaharlal Business School has organised UDHYAMA-2021', a one-day National Mega event (Management Fest). UDHYAMA 2021, conducted on 4th March 2021, Thursday, was inaugurated by well-known playback singer Mr. Nikhil Mathew and Director, Mr. Satish Selvakumar. The function was graced by Dr. Krishna Kumar, CEO and Secretary of Nehru Group of institution. Emeritus Professor and Academic Advisor Dr. Radhakrishnan, Principal of the college Dr. V. P. Sukumaran Nair, Head of the department Dr. Ashokan C addressed the audience. It was a blend of wide spectrum of formal and informal events in which more than 200 students from 150+ colleges of India have participated. The event incorporated combination of intellectual and fun competitions which enabled the students to exhibit their skills and won exiting prizes.

Joy of Coming Back Home

NCERC has organized an Alumni Meet to have an interaction with the old students. The meet was successfully conducted under the team leader Dr. Sudheer S. Marar, Chairman of Alumni Association. The alumni have shared their experiences in the industry and expressed their willingness to provide job opportunities to their juniors in the industry.

NCP conducted alumni meet on 08.04.2021. Alumni from the first batch of NCP has attended the programme and shared their fond memories.
