FEEDBACK

Your Comments:- I would like to thank you for giving this opportunity write my feedback regarding the orientation programme.

- "The morning session was mainly dealt with the roles and responsibility of a teacher" which was very effective class that made us understand what is our main objectives or goals.
- The afternoon session was regarding accreditation mainly which was very effective and useful in the future also. OBE approach is very essential in the current scenario.

Thank you all the programme coordinators and especially I would like to thank "Dr. K. Kaibasseppa Sir" as resource person.
