Library

The central library with all its facilities has become a centre for acquiring knowledge developing skills and getting exposure to newer fields of study and research, in addition to being "connected" to the outside World through the Internet. The college has a central independent library with plinth area 9000 sq.ft with all modern facilities. The library to cater to the needs of faculty members and students with access to books and journals. The students are encouraged to utilize the learning materials available in the library. The faculty and students refer the print journals to publish/present technical papers. The central library functions on all days except Sundays. The books in the general library are categorized as Reference and textbook. Frequent book exhibitions on campus facilitate faculty members to select the books of their choice which is needed for teaching. Students can borrow books using the ID card issued by the college. Access to the library is managed by using ID card. Library is open for use from 8.00 am to 8:00pm. (except on Sundays & Government holidays) . E-Learning Resources, like EBSCO and J-Gate are available in the Library, which is being effectively used by the Faculty and Students. There is a well-equipped Digital Library available in the Institute. The entire library is fully automated by software called **KOHA LIBRARY SOFTWARE**. The NCERC library is well stacked with 28309 textbooks related to various aspects of engineering and technology; industry related topics, general books and **4576** reference books are also available. The library is constantly updated with the latest Magazines, National & International journals, Reference books and other material at regular periods. The library also owns its digital set up with 64Mbps speed to access e-journals, e-books and other online resources like DELNET, Shodhganga & ShodhSindhu. We have Core reference collection of McGraw Hill, Springer and Elsevier, chronicle, cengage learning is also available for all students to upgrade their knowledge. To inspire the significance among the students concerning current affairs and general knowledge, study materials related to GATE and competitive examinations is available in the college library. DELNET is very helpful to access rare books from various institutions libraries. Manuscripts from various departments are available in our library for student reference.
