A REPORT ON SOCIAL - EXTENSION ACTIVITY OF THIS SEMESTER

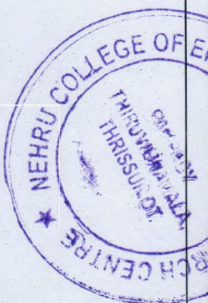

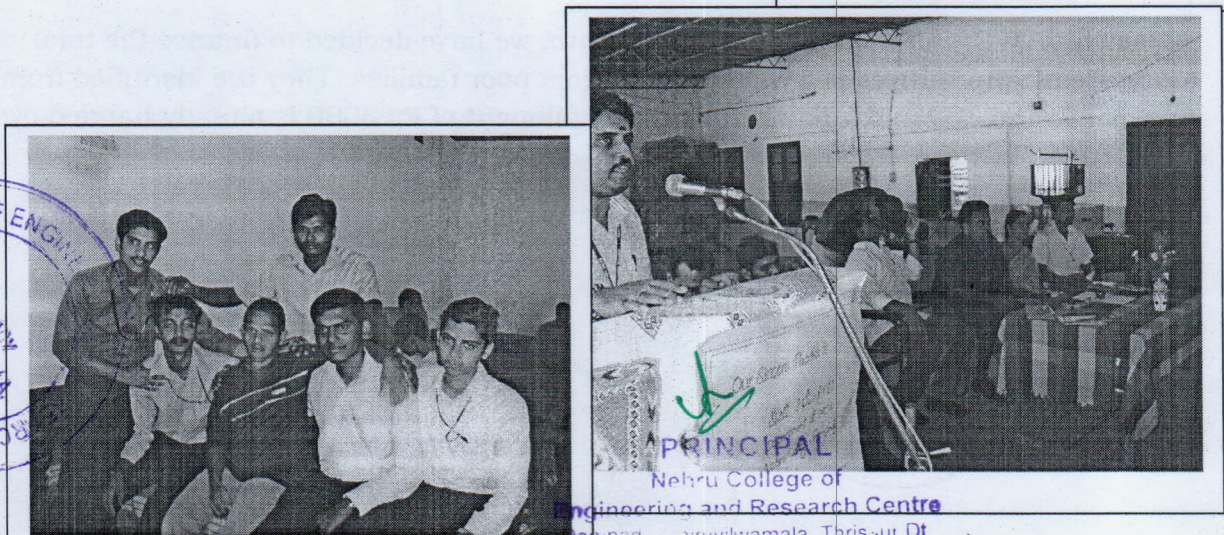

VISIT TO POLYGARDENS, LAKKIDI.

Man is basically a social being. One of the major principles of education is to inculcate this idea in the hearts and minds of the pupil, and mould them to act upon his/her social responsibilities...

The social-extension activity plan for the current semester was **A Visit to Poly Gardens, Lakkidi**, a Charity institution which inhabits and takes care of several Mentally-retarded souls. The institution intakes around 100+ inmates as well as 15+ dedicated staff members, and is well-maintained by a Board of Directors, with a strong advocate for the betterment of mentally-unwell in the society.

The visit made a strong impact, on the mind of each student, And should doubtlessly have generated sympathy towards the downtrodden in the society. Apart from the mere visit and a half day-spent with them, we did contribute a humble donation to the institution. A fund of Rs.10,500 was raised through Student and Staff contribution, and a Surgical Coat was purchased. We are indeed pleased that we could make a humble drop towards the oceanic goals of this good institution.

Selected Snapshots from the Visit-Album.
