A REPORT ON SOCIAL – EXTENSION ACTIVITY OF THIS SEMESTER

VISIT TO POLYGARDENS, LAKKIDI.

Man is basically a social being. One of the major principles of education is to inculcate this idea in the hearts and minds of the pupil, and mould them to act upon his/her social responsibilities...

The social-extension activity plan for the current semester was **A Visit to Poly Gardens, Lakkidi**, a Charity institution which inhabits and takes care of several Mentally-retarded souls. The institution intakes around 100+ inmates as well as 15+ dedicated staff members, and is well-maintained by a Board of Directors, with a strong advocate for the betterment of mentally-unwell in the society.

The visit made a strong impact, on the mind of each student, And should doubtlessly have generated sympathy towards the downtrodden in the society. Apart from the mere visit and a half day-spent with them, we did contribute a humble donation to the institution. A fund of Rs.10,500 was raised through Student and Staff contribution, and a Surgical Coat was purchased. We are indeed pleased that we could make a humble drop towards the oceanic goals of this good institution.

Selected Snapshots from the Visit-Album.

NSS: PASSION FOR SERVICE TO FELLOW-BRETHREN

The NSS units of NCERC and JCET have definitely lived up to its motto 'Not me but you' by undertaking a chain of social activities which include construction of homes for the homeless, adoption of villages for development, organizing blood donation camps, digital literacy and school empowerment programmes, organizing clean Pampady and Visharadhitha Vishu projects and awareness campaigns on various social issues like AIDS and drug abuse. It has initiated campaigns for eradication of social evils and popularization of widely accepted objectives like nationalism, democracy, secularism, social harmony and development of scientific temper among students. Let us have a glance of the various activities of NCC and NSS units of NCERC and JCET.

NCC CARRIES ON ITS MISSION OF UNITY AND DISCIPLINE

NGI had always strived to mould better citizens. During the flood affected times, 7 NCC cadets, JWO Jithin T, SGT Ajith K A, CPL Vishnu Prasad, CPL Renjith Krishna menon, CPL Jishnu M, LCPL Jovin Davis, CDT Amoghkrishnan, CDT AnanthThilak, assisted the RAF with great enthusiasm & spirit at Nelliampathy. The brave actions of these cadets helped the isolated people of this area to collect their daily necessities. The officers of the RAF was so thankful for the humanitarian efforts of these boys.

National Cadet Corps (NCC) units of NCERC and JCET continue its noble task, as in previous years, of grooming the youth of our college into united, secular, disciplined and patriotic citizens, whose foremost concern is community development and social service activities as a part of national building. It has indeed succeeded in developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service among our cadets and our students. The sincere endeavours of our NCC units to create a pool of organized, trained and motivated youth with leadership qualities in all walks of life have undoubtedly come true in the campuses of NCERC and JCET. NCC organized a number of programmes like Donate blood-Save Life: Blood Donation Camp, Say No to Drugs: World Anti-Drugs Day, World water day celebrations.
