INSTITUTION VISION

To mould true citizens who are millennium leaders and catalysts of change through excellence in education.

INSTITUTION MISSION

NCERC is committed to transform itself into a center of excellence in Learning and Research in Engineering and Frontier Technology and to impart quality education to mould technically competent citizens with moral integrity, social commitment and ethical values. We intend to facilitate our students to assimilate the latest technological know-how and to imbibe discipline, culture and spiritually, and to mould them in to technological giants, dedicated research scientists and intellectual leaders of the country who can spread the beams of light and happiness among the poor and the underprivileged.

ABOUT NGI

Nehru Group of Institutions with its humble beginning in 1968 at Kuniamuthur, Coimbatore, TamilNadu was established by the Founder Chairman LATE Shri P.K. DAS, with the objective of providing higher education in the field of Aeronautical Engineering. NGI progressively flourished and started offering under graduate (UG), post graduate (PG) and doctorate programmes in all major Engineering branches, Management, Medical Sciences, Architecture, Law, Arts and Sciences, Para medical Sciences and Hospitality Management. NGI also started offering Pre School education to Kids, with the establishment of International School. Currently the Nehru Group of Institutions operates through its 20+ State-of-the-art-institutions in the States of Kerala and Tamil Nadu.

ABOUT INSTITUTION

Nehru College of Engineering and Research Centre (NCERC) is a premier Engineering college that has pioneered engineering education, research and training in the private sector. NCERC was established in 2002 by the founder chairman Shri P.K. Das, dedicated to the service in the realm of technical education in Kerala, it is an ISO 9001:2015 certified institution, approved by All India Council for Technical Education (AICTE), affiliated to Dr APJ Abdul Kalam Technological University (KTU) and is accredited by National Assessment and Accreditation Council (NAAC). The institution offers five UG programs and three PG programs in the areas of cyber security, VLSI design and Energy systems. The college is also preparing for accreditation by National board of Accreditation (NBA). NCERC is the one of the college under Nehru Group of Institutions (NGI). The college is located in an eco-friendly, flushes green and serene environments on the banks of the river Nila and has got an excellent infrastructure with well-furnished class rooms and departments, headed by highly qualified and experienced faculty.

ABOUT THE FDP

Faculty Development Programme on INTERNET of THINGS AND ITS APPLICATIONS, is organized by three departments, ECE, EEE and MECHATRONICS from September 6 to September 12, 2021. This Programme is to enhance the knowledge and bring awareness of IOT and its applications in Electrical Engineering, Electronics Engineering, Communication Systems and Mechatronics Engineering areas. Key note Speakers from the respective areas will throw light upon application of IOT in various fields. Faculty of all Engineering colleges are invited to participate in this Program. Admission and Registration are free. The Event is organized on Virtual platform Google Meet.
